MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Delinquent Fitness Reports - NE Division

REFERENCE : Memo to DDCI fr C/NE and SA Div, dtd 18 Mar 63,  
same subject

1. I am attaching for your information a memorandum which I have received from the Chief, NE and SA Division concerning efforts made by that Division to obtain Fitness Reports overdue from 1962. You will note that the memorandum also reports that all delinquencies had been corrected as of 8 April 1963.

2. The cable and dispatch traffic [redacted] [redacted] dated 25 January 1963 which are attached to this memorandum evidence a vigorous effort to obtain the required reports and to instruct NE field stations concerning the urgency of prompt action. This additional material and the fact that NE's delinquencies have been corrected much sooner than anticipated in reference memorandum seem to place that memorandum in a different light. It appears that their actions have been more responsive to the requirement than was apparent in the previous report.

3. With your approval, I propose to associate the current report with Mr. [redacted] previous memorandum and close the matter as satisfactorily explained.
